Standard Features & Finishes

EXTERIOR

First impressions are important. The exterior of your home should be stylish and attractive. But more importantly, it should be solid and durable, built with only the highest quality materials available.

Below is a partial summary of what you can expect with your new Jeffery home, all backed by a Taron warranty coverage plan.

- ① Architecturally selected and co-ordinated exterior colour packages.
- ② Laminate limited lifetime shingles, complete with extra ice and water shield.
- ③ Pre-finished aluminum/vinyl soffit, fascia, eavestrough and downspouts.
- ④ James Hardie Board prefinished siding on the front elevations, as per plan.
- ⑤ Pre-cast concrete walks to front porch; rear patio step, where applicable.
- ⑥ Covered porches include decorative pillars, columns and spindles, as per applicable plan.
- ⑦ Fully sodded front and backyards.
- ⑧ Steel sectional roll up embossed garage doors with a unique 5 layer paint system exterior finish, as per elevation.
- ⑨ All models have an extra wide basement window, to aid in future basement finishing.
- ⑩ Unique multi-lock window operating mechanism, providing better security and air sealing.
- ⑪ Residential Schlage exterior door lock set, with custom builder logo key.
- ⑫ One pot light in soffit over entry door(s), and one over each garage door.
- ⑬ Electric front door chime and switched Christmas light plug.

Standard Features & Finishes

INTERIOR

Double stainless steel undermount sink with energy efficient single lever upgraded faucet featuring pullout spray.

Solid surface countertops in kitchen to be selected from vendor's standard samples.

Custom designed kitchen cabinetry offered in a variety of finishes, styles and colours from vendor's samples.

Direct vent gas fireplace (with electronic ignition) with a white mantle finish, as per plan.

Separate shower stall (where applicable) to include ceramic tile with shower light, frameless glass surround, and ceramic tiled ceiling, as per plan.

4-piece bathroom will include an acrylic stand alone tub, as per plan with handheld shower.

Prices and specifications are subject to change without notice. Builder has the right to substitute materials of equal or better value. A wide variety of upgrades and options are available. E. & O.E.

At Jeffery Homes, we pride ourselves on offering new home buyers standard features everyone loves. Everything you see here and more, is all backed by a Taron warranty coverage plan.

9' ceilings on main floor on 36' lots, as per plan.
10' ceilings on main floor on 40' lots, as per plan.

High efficiency hot water tank (not a rental). Compact in size, these virtually eliminate standby heat loss caused by water sitting in storage style water tanks.

Garage interiors are fully drywalled, gas-proofed and primed finish. Steel sectional roll up embossed garage doors included, as per elevation.

Walkup and walkout basements available.
9' basement ceiling height. Basement floor sealed and painted, ready for your moving boxes.

\$AVE MONEY WHEN YOU BUY A JEFFERY HOME!

Jeffery homes are built to perform at the ENERGY STAR® qualified level, a standard that is often **20% better** than a standard code-built house.

- ✓ Lower utility costs
- ✓ Higher resale value
- ✓ Increased comfort & indoor air quality
- ✓ Helping the planet

What makes us Unmistakably Jeffery?

YOUR HOME, YOUR WAY

You have the opportunity to personally customize your new Jeffery home. Together with our interior designer, you can design the home of your dreams, your way.

FIT AND FINISH

YES, features of a house are important. But how those features are implemented make Jeffery Homes truly unique.

AWARD WINNING Third Generation Company

We have been building spectacular homes for 55 years in Durham Region. Our relaxed yet sophisticated designs have become our calling card - along with the unmistakable Jeffery touch homeowners have come to expect!
